# SAFETY & CARE ADVICE

Please read these instructions fully before starting assembly and retain for future reference.

- This product is not a toy
- This product is suitable for children 3+ years
- Check you have all the components and tools listed before you start assembly.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area; small parts could pose a choking hazard if swallowed.
- Make sure you have enough space to lay out the parts before starting.
- Do not stand or put weight on the component parts or the product, as this could cause damage.
- Assemble on a soft, level surface to avoid damaging the unit or your floor.
- We do not recommend the use of power drills/drivers for inserting screws during assembly, as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.
- Domestic use only.
- Ensure that hands and fingers are clear when closing the lid
- Maximum weight loading per compartment is 5kg (evenly distributed).
